

Ilene Meckley
Letter to a New Direct Selling Consultant/Leader
Rev. 11.07.08

As a direct seller, you are part of a global industry that changes lives for the better. Now you have direct access to a direct seller who will show you ways to change your life. Meet Ilene Meckley, the Success Coach. During a stellar career in direct selling, Ilene built a team of thousands, and earned top honors in her company, including Hall of Fame, Woman of the Year, and President's Club 14 times. The knowledge she gained by personally sponsoring and helping men and women from all walks of life achieve success is now available to you.

The Success Coach will teach you:

To **Work with Heart** to recruit a winning team.
To **Work with Heart** to inspire everyone you touch.
To **Work with Heart** to make a difference.
To **Work with Heart** on your highway to success.

If you have the desire to be a direct sales leader...to build a multi-million-dollar business...to realize your full potential in the industry that changes lives for the better, we invite you to learn from one of the best...Trainer, Motivational Speaker, Radio Personality Ilene Meckley, the Success Coach.

To receive Ilene's celebrated newsletter, visit www.ilenemeckley.com. It's FREE!

In Ilene's **Working from the Heart** newsletter you'll receive "winning scripts" for networking and recruiting...phone tips...organizational skills...leadership guidance...ideas for balancing business and family life...and time-tested suggestions to achieve your dreams.

Or, order Ilene's books and CDs, including **Working from the Heart** and **Highway of Success: Proceed with Passion**, inspired by her near-death automobile accident and fight to recover.

In all of direct selling, there's only one Ilene Meckley, and she's ready to help change your life for the better.

PS: We know you already receive training and guidance from your direct sales company. That's great! It's like having a family physician advising you for your general health needs, but to go to the top of your sales organization, you may also need a specialist. Someone who has been there. Someone who knows exactly what you need to succeed. Ilene is your specialist...your Success Coach. Contact Ilene Meckley today! www.ilenemeckley.com
